

PIRATE EYE PATCH

- Print out the eye patches.
- Choose your favourite eye patch and ask a grown-up to cut it out for you!
- Use a hole punch to make two small holes where the little circles are on the edges of the eye patch.
- Feed string or elastic through one hole, behind the eye patch and out through the other hole.
- Put the eye patch over one of your eyes.
- Ask a grown-up to tie the string or elastic together at the back of your head.
- Now you look just like a pirate!
